CHAMPIONSHIP GAME-

*game locations on Sunday may change based on Burlington and Sedro Woolley seeding.
Burlington and Sedro Woolley will avoid playing each other and will play their Sunday cross over game on their own field in order to allow each coaching staff to maintain and prep his own field for the tournament.

*if Burlington and Sedro Woolley both finish 4th in their pool then the third place teams in each pool will cross over and play Burlington and Sedro Woolley. Same would be true if Burlington and Sedro Woolley both finish third in their pool, the fourth place teams would then cross over and play Burlington and Sedro Woolley.
Should this happen each team's game time and location will be confirmed at the end of Saturday's last game.
